Credo : -

The aim of the club is to encourage vocalists and musicians of all ages and abilities to perform at club functions and/or on stage whilst in a safe environment.

This can further create a gateway for recognition of new talent whilst ensuring the country music genre continues to flourish in Townsville and the surrounding regions.

ASSOCIATION HISTORY

Members of the general public were invited to attend a meeting held on the 3rd June 1980 at the Vale Hotel. A few local country music enthusiasts, including Emilo Gottani from Rollingstone got together with the aim of forming a club .. The aims of which were and still are..

[1] to promote country music

[2] to provide a centre for the enjoyment and advancement of country music

[3] to promote and encourage new local talent.

The first meetings were held on Saturday nights at the Castle Hill P.Y.C. Other venues have been Cutheringa Bowls Club, Dalrymple Hotel, Ross Island Hotel, Lazy Acres, the Showground Grandstand function room, the NQOMT Hall and Western Suburbs Cricket Club, St Josephs school Mundingburra just to name a few. We now hold our monthly Country Social Afternoons at the Jubilee Bowls Club Mundingburra.

In the early years we held jamborees with some of the artists being Slim Dusty and his family, Glen and Betty Eyre, Desiree Crawford, Evelyn Bury, Owen Blundell, The Coad Brothers, The

Brian Young Show, Barry Thornton, Reg Poole, and John Williamson are names that come to mind.

Some of our local artists have gone on with their music careers after starting with our club.

Sherrie Austin (nee Kren) started singing at Lazy Acres. Artists that have moved south are Whiteline, Sarah Collet, Anna Weatherup and The Gottani Sisters who have also worked in the United States for many years. More recently we have seen Michelle Plozza, Sammy White and Phoebe Jay flourish in their music careers even cutting singles or albums.

Members or former members who work professionally around the district are Peta-Cherae Peters (Nee Kleehammer) and her sister Stephanie Burke, Sara Jane Moore (nee Alloway), Anthony Taylor, Tyson Lucas and The Charlies.

Our club has been honoured to show the talent of many of our artist at major venues like Star Makers at Tamworth, Norfolk Island Festival and the Brisbane Champion of Champions back when it was being run.

Our club started the first North Queensland Champion of Champions in 1986 following an idea from Dick Nettlefield and Nev Nicholls. The prize at the time was a recording contract with Nicholls 'n' Dimes recording studio. This was won by Saddle Tramps - a band from Ayr. This festival continued for 23 years until in 2009 when the festival was changed to an open competition, thus giving more of our local artists a chance to win the major prize.

The club has played at the Bluewater Community Centre, Bellvue Hotel, and for various other organisations who need entertainment including Bunnings family nights. We also support other non-profit organisation where we can.

If you are a part of our Association, you are a part of our Country Music family. We have a variety of talents and abilities and we pride ourselves on giving all members and guests the opportunity to perform in a safe environment. Artists of all ages are encouraged to perform at any of our venues.

Chord Chart Guide

Song Title = Tahoma 24 pt. **Bold** (Centre Aligned)

Artist Name = Tahoma 8pt. (Right Aligned)

Lyrics and Chords = Tahoma 16pt (left Aligned)

INTRO = BOLD AND CAPITALS. (Tahoma 16pt – Left aligned)

If you struggle for space on two pages place a 8 pt space between verses and choruses etc..

Please use sentence case not full caps when doing up charts. Takes less space.....but Use Capitals for chord markings.

Only mark **chorus** and **bridges** and **intro's** **outtro's** with bold type. The Verse title is not necessary. Also condense lines only if they fit...

- Ultimate Guitar is the preferred chord chart website....
- Ensure the chords are over the words after changing the font size.
- When you copy and paste from Ultimate guitar it seems you get a background colour if you **just Ctrl v** (shortcut) you will need to paste "keep text only" if this happens. **Shortcut** key for this function **is Alt 1 T**
- Please ensure charts are no more than 2 pages per song. 4 copies of each chart is required.
